What is happening at Brighton in Education Week
We invite parent and members of our school community to visit Mini Exhibitions of student work in Foundation, Grades One, Two, Three, Four and Five. Grade Six has their Exhibition in term three.

<table>
<thead>
<tr>
<th>Date</th>
<th>Time</th>
<th>Grade</th>
<th>Mini Exhibition</th>
</tr>
</thead>
<tbody>
<tr>
<td>Wednesday</td>
<td>3.00 – 3.30pm</td>
<td>One</td>
<td>Grade One is inquiring into ways in which we discover and express ideas, feelings, cultural beliefs and values. Our Central Idea is People use the arts to convey their uniqueness. Students will be sharing their inquiry with our visitors.</td>
</tr>
<tr>
<td></td>
<td>3.10 – 3.45pm</td>
<td>Foundation</td>
<td>We have just commenced our unit with the central idea People play different roles to help the community thrive. As part of this unit we will be finding out more about who our community helpers are and what their different roles are. Our time in the inquiry hall will help us to find out more. We are looking forward to sharing with our families what we have achieved so far this year.</td>
</tr>
<tr>
<td>Friday, 20 May</td>
<td>8.30 – 9.00am</td>
<td>Four</td>
<td>Grade Four is inquiry into Sharing the Planet. The central idea is: Environmental issues can be addressed through community actions. Students will be showing their summative assessments which are an Explain Everything presentation and an Information Text.</td>
</tr>
<tr>
<td></td>
<td>9.00 – 9.30am</td>
<td>Two</td>
<td>Grade Two are inquiring into how public places are designed to meet the needs of a community. Students will present their designs for public spaces and the models they are making.</td>
</tr>
<tr>
<td></td>
<td>2.30 – 3.00pm</td>
<td>Five</td>
<td>Grade Five students will present their learning from the current unit of inquiry, How we express ourselves. The Central Idea is: The Arts have the power to influence thinking and behaviour. Students will create a presentation on their ipads, including at least 4 samples of work and reflections based on those samples. Students will discuss and show their presentation to the visitors.</td>
</tr>
<tr>
<td></td>
<td>3.00 – 3.30pm</td>
<td>Three</td>
<td>This term Grade Three have been inquiry into rules and laws. Students will be sharing how they have applied their knowledge of the rule making process to make a difference to their community.</td>

BPS NEWS: The benefits of teaching wellbeing programs such as mindfulness, yoga and/or meditation to children has had increasing evidence that many ‘wisdom traditions’ have been known for eons. Luckily the scientific world is now listening and spouting its positive influence in building well-rounded students and global citizens. BPS espouses its ethos as an International Baccalaureate School (IB), teaching ‘the whole child’ and is continually expanding its horizons. A recent article has a useful description for anyone of the supporting academic programs “They are a process (or program) that supports the growth of the body-mind of the child, fosters the development of each child’s own unique personality and supports creativity and expression.”

(A quote from Dr. Stanislawsky, PhD who is a medical doctor, author and lecturer). It is only through this process that a child can sustainably thrive academically, so we want our BPS students to feel and know they are valued and whole. Then they can flourish as students and as contributing individuals. For children under 8, a lot of their absorption is from seeing their parents or others modeling these practices and the development of their own body awareness and then watching, listening and following these practices themselves in an age appropriate way. By the age of 8, the child’s fundamental personality has formed and body begins to develop and peaks at puberty so the teaching styles can adopt.

Hello everyone,

**Entertainment Guide – BOOKS ARE HERE!**

If you haven’t returned the opt out form, you will find one of these books coming home in your eldest child’s bag. Once you see all the amazing offers I’m sure everyone will want one – but there is no obligation to buy – if you don’t want it, return to school reception. You can also decide to buy the digital version (& return the book). The cost is $65 of which 20% goes to BPS. To pay please use this link: [www.entbook.com.au/180q076](http://www.entbook.com.au/180q076)

**Trivia Night – FRIDAY JUNE 17th - QKR BOOKING IS OPEN**

When – Friday June 17th
Time – From 7.30, for 8pm start
Where – Here! At BPS, in the gym
Tickets – $30 per person
Theme – Rock Star – there will be a prize!
Trivia Master – Brian Nankervis

Up to 12 ppl per table - please add your Table Captain in Qkr Notes
If booking multiple tickets (i.e. yourself & a partner), please add ALL names as well as Table Captain!

It will be bring along your own food platters & pizzas will be available to order on Qkr closer to the event

There will be lots of great prizes, silent auction, raffle, best dressed, trivia winners.

If you have an awesome prize you would be willing to donate for this fundraiser, please get in touch! Thank you in advance!

**Election Market – SATURDAY JULY 2nd**

If you are around in the winter holidays, this will be a fantastic outing for the kids & you can do your voting at the same time. A Market Committee has now been formed, but if you’d like to help out – please do let us know.

**Footy Day – TRAINING STARTS NOW**

Sunday afternoons 4pm at Little Hurlingham Oval, Nepean Hwy, Brighton.
See flyer in the newsletter & any queries, please contact Nick Paltoglou on 0411 423 946 or npaltoglou@ords.com.au

**Lapathon**

Counting still underway, we will let you know in an assembly ASAP.

**FoB Communication Lead – any volunteers?**

Still open – please be in touch! Call me on 0424 232 473 if you’d like to discuss!

Any questions or suggestions, please forward to FoB on [fob@brighton.vic.edu.au](mailto:fob@brighton.vic.edu.au)

The Mother’s Day stall is a highlight of the year for kids and mums alike and could not be done, to the standard it was, without the generous support of the following businesses:

Husk
Hamish & Grace
Pash Flowers and Homewares
Duck and Hyde
We Love Sundays

Thanks for helping us spoil our mums this year.

A big thank you to FoB representatives Lucy & Kylie and all our other parent helpers who donated their time sourcing presents and coordinating the Mother’s Day Stall. The students really love being able to select a special gift and mum’s adore their specially chosen gift and being spoilt on their big day.
Will Murray Fundraiser

At Monday’s assembly we had a special guest speaker, Jack Clarkson, an ex BPS student who now attends Brighton Grammar.

Jack spoke of the journey of his friend Will Murray who tragically suffered life changes injuries from a diving accident during school holidays. To assist with the huge medical costs relating to Will’s treatment Jack has approached Brighton Primary School to hold a Free Dress Day to raise awareness of Will’s plight and to allow the opportunity for our community to show their support for this Will and his family.

Students and Staff are invited to come to school this Friday in FREE DRESS and by adding a splash of orange can show their support. All donations to support this initiative can be made directly to the ‘Where There’s A Will There’s A Way’ charity whose goal is to raise enough money to relieve the significant financial pressure placed on the Murrays by this tragic accident. For further information or to make a donation visit http://www.wheretheresawill.com.au/
Will Murray – ‘Where there’s a Will there’s a Way’
Speech by Jack Clarkson (14yrs)

Good morning Mrs. Lawrence, Ms. Solecki, Ms. Branka, staff, students and parents.

Thank you for inviting me to speak at today’s assembly. My name is Jack Clarkson and I am an ex Brighton primary student starting in 2008 and graduating in 2014. I currently attend Brighton Grammar in year 8. Today I am going to be speaking about why you’re having a free dress day this Friday. When I woke up on Monday, January 18th my mum gave me the awful news that my mate Will Murray had a diving accident off the pier at Half Moon Bay. I asked her what happened and she said that he had broken his neck. Before this accident, Will was a freak of nature at sport. He was the vice-captain of the state footy team in 2014, he has ridden BMX bikes for Australia, played rep Basketball, was awarded MVP of the SMJ under 14 footy league and has set many awards in athletics at Brighton Grammar.

The day before I received this news, on Sunday January 17th, Will was sitting on the pier with some friends chatting about his first overseas trip. He hadn’t been in the water yet as he had just arrived at Half Moon Bay. Will and his friends decided instead to go and swim at someone’s pool and called a parent to come and pick them up. While they were waiting for their lift to arrive, they decided to have a cool down in the water. Two of the boys jumped in first and then Will dived in, bringing his arms back to make him hit the water head first. When he hit the sand at the bottom of the water with great speed he burst his C5 vertebrae which is a bone in his neck. What this meant was Will could no longer move his arms or legs. He was rushed to hospital in an ambulance and had to have an operation. After the operation Will almost passed away because he couldn’t breathe properly. After 4 tough months in hospital, Will is now at home and that’s where our job begins. In order for Will to improve he needs lots of rehab which costs a lot of money. He is not able to access any insurance money because it is prohibited to jump or dive off piers in Victoria. The Murray family needs all of our support to help Will. For this reason, I have asked many schools in Bayside to have a free dress day this Friday. Brighton Primary School have kindly agreed to support this cause so please make sure that you show your support by wearing a splash of orange and bringing a gold coin or small donation to help one of life’s great people through his recovery. And most importantly, please learn from this and check the depth of water before jumping or diving into any water so that this does not happen to you or any of your friends.

Thank you for listening.

Brighton OSHC (BPOSH) 12th of May 2016

Hi parents and children,

This week at BPOSH we have been focusing on sustainability by introducing new procedures to reuse and recycle our unwanted waste products. It is great to see the children get involved while learning of their contribution to their community and the world as a whole.

After School Care Activities

If your child participates in an extracurricular activity during after school care hours, please be advised that our policy has been revised in regard to how your child attends these activities. In the past we would escort your child to the activities, signing them out and back in on their return. It is now required that you to nominate either the person running the activity, or another parent, to take them to and from the activity, signing them out and back in again, as required.

We will no longer be accompanying children due to it running the risk of providing inadequate supervision to the other children at the service. Please discuss your nominated escort with educators to ensure you child can attend these activities and be supervised at all times. Without nominating someone to collect and transport your child to and from extracurricular activities, we will not be able to release your child to the activity. Thank you for your cooperation.

BOOKING INTO OSHC/ APPROVED PICK UP LIST

Please ensure the people who are picking up your child from OSHC have been given consent to do so. Otherwise we will be calling you and won’t release your child from OSHC until we have written consent from a guardian to do so. We have noticed that we have had a few children who are not booked into the service arriving each day. If you have any trouble with enrolling/booking your child just head to www.campaaustralia.com.au. You can permanently book your children into sessions as a permanent booking which is cheaper than a casual on the day booking. By booking your child into a session we can make sure we have enough staff to maintain ratios as well and also know exactly who is booked in to attend our service.

MEDICAL DOCUMENTS:

When you come to collect your child you need to bring your Medicare number and ambulance number if you have one, so please be prepared to sign your child’s enrolment form.

Have a great week, Kelly and the BPOSH leaders.

visit www.campaaustralia.com.au  we make kids smile
MESSAGE FROM THE HEALTH CENTRE

FOOD ALLERGY AWARENESS WEEK

BE AWARE & SHOW YOU CARE

MAY 15TH TO 21ST 2016

Food Allergy Basics

• A food allergy is an immune system response to a food protein that the body mistakenly believes is harmful. When the individual eats food containing that protein, the immune system releases massive amounts of chemicals, triggering symptoms that can affect a person’s breathing, gastrointestinal tract, skin and/or heart.

• Symptoms of food allergy can include; hives, swelling of the lips, face and eyes, swelling of the tongue, breathing difficulty, abdominal pain, vomiting or a sudden drop in blood pressure. If left untreated, these symptoms can be fatal.

• It is estimated that up to 2% of adults, 1 in 10 babies and 6% of children have food allergy and some of them will experience a life-threatening allergic reaction (anaphylaxis).

• There are more than 170 foods known to have triggered severe allergic reactions. Examples include kiwi fruit, banana, chicken, mustard and celery.

• Currently, there is no cure for food allergy. Avoidance of the food is the only way to prevent a reaction. We do not encourage children to share food at school for this reason.

• Adrenaline is the first line treatment for severe allergic reactions and can be administered via an auto-injector called the EpiPen.

• Food allergy is the leading cause of (severe reactions) anaphylaxis outside the hospital setting.

• Approximately 10 people die from anaphylactic reactions each year in Australia and some of these may have been triggered by food.

It is important for parents to advise the school if your child has food allergies – please see the school nurse to update records where necessary.

Please be mindful of food allergies when considering bringing food to school for celebrations. You must speak with your child’s teacher before bringing food to school, and a list of ingredients is to be supplied.

Please remember we promote a NUT FREE environment at Brighton Primary School.

Thank you for your ongoing assistance.

Cecile Elliott (School Nurse)
Compass Quick Tips!

1. What can I view or action on my smartphone?

The Compass phone applications for both Android and IPhone devices will allow you to:

- View the school Newsfeed to see what events are happening at school
- Add absence approvals and late arrivals – by clicking on your child’s profile photo and selecting Approvals

2. How can I action additional Compass functions on my smartphone?

For more involved Compass functions, you will need to click on the lines on the top left of the screen, which will offer the option to ‘Open in Browser’.

By viewing Compass in your smartphone browser you will be able to utilise all functions that are available from a desktop view such as actioning online consents for excursions and sports as well as approving absences.

3. Where do I find more information on my child’s classroom or general school information?

There are two areas of information that you can view. By selecting the Community icon at the top left of your screen and clicking on School Documentation you will find various information relating to canteen, uniforms, term dates etc.

You can also view Classroom and Curriculum information by selecting Teaching & Learning icon at the top left of your screen and clicking on School Resources. Here you will find information relating to your child’s classroom and also specialists such as Italian, Science, Sports etc.
When: Friday June 17th

Time: 7.30pm for 8pm start

Where: Brighton Primary School Gym

Tickets: Early Bird Tickets booked by 31 May $30 ($40 from 1st June) Bookings via QKR

Theme: ROCKSTAR! (There will be a prize!)

Trivia Master: Brian Nankervis

Additional Info:
- Tables of up to 12 people
- QKR Bookings—Nominate a captain and advise via QKR at time of booking. **If booking multiple tickets, please add ALL names.**
- Bring your own food platters
- Pizzas will be available to order on QKR closer to the event
- Great prizes, silent auction, raffle, best dressed and trivia winners
- If you have an awesome prize you would be willing to donate for this fundraiser please email fob@brighton.vic.gov.au
BPS Dads’ Footy Match
Training starts now!

When: Sunday afternoons at 4pm
Where: Little Hurlingham Oval, Nepean Highway, Brighton
(subject to availability)

Now that the weather has changed, it’s time to pull on the footy boots and kick a few balls around the oval. Every year, BPS plays a game of footy against Brighton Beach in August and you are invited to come down for training. Whilst the game is a great fundraising event, it is also an opportunity for the dads of our school to spend time with the mates you’ve made and make a few new ones. No worries if you grew up with another code, all are welcome.

Registrations for the game will open shortly for 60 players. Based on feedback, there are many of you who are keen to come down for a kick on a Sunday but are not necessarily up for a game of competitive football, so this year we will also have a supporters option, giving you a way to contribute to the school. More details coming soon.

Any queries, contact Nick Paltoglou on 0411 423 946 or npaltoglou@ords.com.au
It's great to see so many students taking up the Premiers Reading Challenge this year and being encouraged at home and school to read more.

The Challenge ends the 9th September, so there's still time to sign up and get reading!!

Challenge Rules:

Foundation – Grade 2 Read / Experience 30 Books
Grade 3-6 Read 15 Books

To support the Challenge there will be a weekly Story-time in the Library on Wednesday at recess. Starting Wednesday May 18th

Targeted towards Foundation – Grade 2, books from the challenge list will be read and shared, so students can include them in their own challenge records.

HAPPY READING
