from Anny

On Thursday I visited our Grade Five students at Camp Coonawarra near Bairnsdale. As you can see, it is a lovely spot and a favourite camp for our students. It is an Adventure Camp and over the five days our students stay there they will participate in raft making, team rescue and hut making. They will cook damper, zoom over the lake on the Flying Fox, experience the sheer exhilaration of the Giant Swing and go horse riding. Talking to the kids over lunch, horse riding was the most popular closely followed by high ropes, flying fox and giant swing.
Parents are welcome to attend our Monday morning assemblies on the Junior Oval at 9.00am.

Congratulations to next Monday’s PYP Attitudes award recipients:

KromA dAnce –
CREATIVE DANCE AND YOGA FOR CHILDREN
BRIGHTON CAMPUS

Based on the Mangala philosophy, KromA dAnce - Creative Dance inspires children’s imagination through movement using music, props, textures and sound.

Each class is unique and exciting with different themes such as dinosaurs, sea creatures, magic gardens, pirates, jungles and more. The children use beautiful props to enhance movement complimented with music ranging from classical to world music. Creative dance is a fun and inspiring way to keep the body fit and strong. Yoga is integrated in each dance class so the children develop a basic understanding of simple postures, mindfulness and relaxation. Classes are suitable for boys and girls.

Classes are specifically designed for Toddlers and Parents/Carers, Preschoolers and Primary aged children. Classes are held on Monday and Wednesday at the Yoga Hut, 145 Cochrane St., Brighton

Kathy Vlassopoulos conducts the classes and has been teaching Creative Dance and Yoga for over twenty-five years. Kathy trained at Mangala Studios in Carlton and has commenced teaching yoga at Elsternwick Primary School.

For 2016 timetable contact Kathy on 0409 355 602, kroma_blue@yahoo.com.au or pick up a flyer from the Yoga Hut.

Find us at KROMA DANCE on Facebook and Instagram www.creativedanceforchildren.com.au

Brighton OSHC (BPOSH) 14th of April 2016

Hi parents and children,

Welcome back to term two! We cannot believe how fast the holidays went but we hope you all had a safe and enjoyable break. At BPOSH we had an amazing holiday club and went on some very exciting excursions, but now we are back for term two we are eagerly awaiting to see some familiar Brighton Primary families.

PUPIL FREE DAY

Parents just a reminder we are open on the 29th of April for the pupil free day, if you would like to book your child in for the day please head to our website to do so. We will be open from 7:30am to 6:30pm just like our holiday club hours.

MEDICAL MANAGEMENT & ACTION PLANS

Over the last few weeks we have noticed that children have been coming in with different allergies/medical needs that they once didn’t have. We MUST know about this medical information as it is against Camp Australia Policy to allow your child to attend the service without the appropriate medication and action plan prior to coming, so please let a BPOSH staff member know to avoid this situation.

APPROVED PICK UP LIST

Please ensure the people who are picking up your child from OSHC have been given consent to do so. Otherwise we will be calling you and won’t release your child from OSHC until we have written consent from a guardian to do so.

BOOKING INTO OSHC

We have noticed that we have had a few children who are not booked into the service arriving each day. If you have any trouble with enrolling/booking your child just head to www.campaustralia.com.au. You can permanently book your children into sessions as a permanent booking which is cheaper than a casual on the day booking. By booking your child into a session we can make sure we have enough staff to maintain ratios as well and also know exactly who is booked in to attend our service.

Have a great week, Kelly and the BPOSH leaders.

School Banking is improving your kid’s ‘Common Cents’

It’s been a great start to the school year, and every week we see the students putting in a fantastic savings effort. That might be because of this year’s Grand Prize: a VIP tour of Australia Zoo to meet Robert and Bindi Irwin! Many of our true blue Outback Savers are well on their way to reaching their 15 deposits by the end of Term 3, which will give them an automatic entry into the Grand Prize competition.

Aside from the Grand Prize, two new reward items are available this term. After making 10 School Banking deposits, students can redeem the Mud Splat Handball or the Outback Pat Bag Tag!

Learning about your child’s ‘Common Cents’

Earlier this year, CommBank released a report exploring just how clued-up about money Australian children are. They were asked to complete the ‘Common Cents’ Quiz, which looked at five key areas of financial literacy: spending, saving, earning, budgeting and investing.

The research revealed our nation’s kids are – on average – educated earners and spenders, and children whose parents have smarter money habits recorded higher ‘Common Cents’ scores. Here are some of the statistics we’ve uncovered:

- 88% of Aussie kids like saving their money more than spending it.
- 77% of them understand they can earn extra money by doing chores around the house.
- Only 50% know what a budget is, with one in five thinking it’s a sheet of paper with numbers on it.
- Only 50% of children surveyed would take $5 now, over larger monetary sums if they had to wait.

The report also shows that 59% of primary school children in Australia receive pocket money, and 82% of those are expected to complete tasks to earn it. Pocket money is a great way for parents to teach kids the value of money and the earning process.

If you’re curious about your child’s ‘Common Cents’, we encourage you to take them through the simple Quiz that’s available at commbank.com.au/commoncentsquiz

For more tips, videos and activities to stimulate your child’s interest in money skills, head to The Beanstalk at commbank.com.au/youthsaver
