from Anny …

Well done to all teachers, parents and students on a wonderfully productive and exciting Term 3. Wishing you all a safe and happy term break. School resumes on Monday 3rd October and I will see you on Monday 17th October when I return from leave.

Cyber Safety

Every year around the world people acknowledge esmart week, which is a week focused on cyber safety and the smart, safe and responsible use of technology. At Brighton Primary we provide a safe, inclusive and supportive environment for our students to work in. With the ever growing use of technology in our everyday lives we support, challenge and monitor every child, to ensure maximum safety and privacy on technology. All students participated in a buddy activity and an optional competition. Students from grades 4-6 had a talk from Proactive Policing with a focus on cyber safety.

Don't tell anyone your personal details. Lachlan R.

I learnt not to have an easy password and not to put your personal information online. If you have a bad feeling speak up. Matthew D.

Here are 4 important tips we learnt.
* Don't share personal information about yourself (e-mail address, phone number etc) to anyone.
* Don't talk to someone you don't know.
* Don't let someone take personal stuff (photos etc)
* Don't make easy passwords (eg 12345, your name etc)

Now after reading this you too can be safe online. Alana M

I learnt that people cannot be who they say they are. Never post private information like you signature, where you live, what school you go to etc. Things I found interesting is that people can hack into your private account. I will be cyber safe now because I will never post private information and make sure that my private settings are on. Lachlan W.

I learnt about being safe online e.g. not telling your personal details such as where you live, if you have a phone number don't put it online. I found the video interesting and it will help me be a safe person online. Jemma A.

I learnt that it is illegal for people under the age of 13 to be on social media (Instagram, Twitter, Facebook etc). The Police taught about the consequences when you break the law. Lots of children reflected on it and what to do if you don't feel cyber safe. Zara B.

I learnt to NEVER post any private information. Your information can spread really fast so only post things you want. I will only post information I don't mind sharing with everyone. Nik D.

Only post photos that are public that make it hard to identify yourself online e.g. hats, sunglasses, from a distance. Be respectful and post appropriate images. I hope this changes what you do online. Matthew W.

Always be safe on websites and the internet because people can hack your device! Ava M.

The internet is fun but there needs to be boundaries and limits. The three most important rules are;
1. No swearing or cyber bullying
2. Never give anyone your identity
3. Don't send inappropriate pictures on the internet. Lachie W.
Parents are welcome to attend our Monday morning assemblies on the Junior Oval at 9.00am.

Congratulations to next Monday’s PYP Attitudes award recipients:

Awards continue in Term 4

Lost property is stored in the cupboard near the Uniform Shop. Please check through it if anything goes missing.

School Banking

Every Wednesday

Bank books need to be delivered to the Staff Room as close to 9am as possible.

2A Active Travel Winners
Kate M and Stella

New Foundation Enrolments
... for 2017 are now due.

Pick up a form from the office and return ASAP.

Last day of Term 3
Friday 16th September
Early finish @ 2.30pm after Assembly at 2pm

A Reminder to all Parents

Teachers are on Yard Duty from 8:45am each morning.

After school Teachers are on Yard Duty from 3:30pm to 3:45pm.

In the interest of your child’s safety, please ensure that you do not leave your child unattended before and after school outside of these times.

Thank you for your assistance.
MESSAGE FROM THE HEALTH CENTRE

SUNSMART - REMINDER

In accordance with our school Sun Smart Policy students must wear a hat to school from September.

Students who do not have a hat will be asked to move into a shaded area.

SunSmart recommends SPF30 or higher broad spectrum, water resistant sunscreen be applied to any skin not covered by clothing.

Our school will be implementing strategies to help remind students to apply sunscreen before heading outdoors. This includes recess, lunch and outdoor learning activities such as PE lessons. Students who do not have a hat will be asked to move into a shaded area.

Please help support this initiative by:
- Supplying your child with SPF30 or higher, broad-spectrum, water-resistant sunscreen for use during school hours.
- Talking to your child about the importance of using sunscreen regularly to help prevent skin damage and skin cancer.
- Ensuring your child knows how to apply their sunscreen independently and has had some practise so they will be all set to apply it safely at school.
- Being a SunSmart role model at home with sunscreen, hats, clothing, shade and sunglasses.

Sun protection is a shared responsibility.
We also remind parents to provide sunscreen for their child – we advise sunscreen be applied during the day before children go outdoors. If your child has their own sunscreen in their bag it helps protect them during the warmer weather.

Let’s promote SunSmart practices and keep our children safe!

Thank you. Nurse Cecile.
Dear Mum and Dad,

I would like to invite you to our gardening Working Bee organised for Saturday 8th October, for parents of Year 2 and Year 5 students.

The Working Bee starts at 9.00am and ends at 12 noon with a sausage sizzle for parents and students. Cordial, wine and beer will be available.

If we have an hour or two to spare can we go? We can complete a few jobs and you can chat and socialise with the other parents.

Weather permitting, some of the jobs we can do are pruning shrubs, sweeping leaves, weeding, clearing shallow drains of leaves, turning over and spreading soft fill under play equipment.

Basically, it’s a general clean and freshening of my lovely school yard.

Please bring any of the following that you think may be useful for you and me to use on the day: gardening gloves, rake, broom, spade, fork, wheelbarrow, blower vac, secateurs, or other gardening tools.

Please complete the slip below by Wednesday 5th October and I’ll return it to Mr Kolivas so that he will know how many sausages and drinks to order.

I hope we can attend, even for a short time.

Love,

…………………………………

------------------------------------------------------------------------------------------------------------------

Yes Mr Kolivas, we will attend the Working Bee on October 8th. Please cater for ...........adults and ...........children.

**Interschool Gymnastics Report**

21 Grade 5 & 6 students attended the Interschool Gymnastics Competition last week. The girls performed both Acrobatic and Rhythmic routines as well as Floor, Beam Vault and Bars. The girls worked extremely hard for this competition and performed exceptionally well walking away with First and 2nd placings. This was an outstanding result, especially considering this was the first team BPS had entered this competition.

A huge thank you to our parents for their dedication in getting the girls to their practices at Edge Gymnastics and to parents Melissa, Emily, Suzanne, Monica and Trish for transporting the girls to Donvale.
REMINDER TO ALL PARENTS –
MEDICATIONS TO BE COLLECTED FROM HEALTH CENTRE AT END OF TERM

Please ensure all epipens and medications stored in the health centre for your child are collected on the last day of term. They need to be returned at the start of Term 4, ensuring all medicine is checked and within expiry date please. I hope you have a wonderful break.

Thank you. Nurse Cecile.

Wilson Street Kinder is looking for an enthusiastic staff member to join us in a newly created role as an HR Manager and Policy Coordinator!
15hrs per week, school hours. Please refer to our website for information or contact Alissa Ainley, President WSK (0408234771)
ANZ TENNIS HOT SHOTS
