As part of Education Week this week, students and teachers at Brighton Primary hosted Mini Exhibitions across the school. This provided students with an opportunity to showcase some of their recent learning experiences with family and friends. The exhibitions were held throughout the week and were well attended.

This is what a few of our students had to say about their experience:

Foundation
“I enjoyed it when my mum came to me and I showed my portfolio to her.” Mia S
“I liked showing my portfolio to my mummy and I love her.” Madison R
“I liked it when my mum and dad saw my portfolio.” Joe R
“I liked when all of the parents came. I liked showing pop my portfolio.” Luke C

Grade 1
“Yesterday was exhibition. My mum and dad came to see my collage and my portfolio. The central idea is people use the arts to convey their uniqueness. They said it was good. I felt happy! It was a great day.” Abbie
“When my mum came she was so so so so impressed. She took lots of photos. She really liked my work. We made a collage and we shared our portfolios.” Isobel
“My mum and my nan came. It was fun. I showed my mum and nan my portfolio and my writing book and my collage and I was so excited. It was so exciting.” Josh
Parents are welcome to attend our Monday morning assemblies on the Junior Oval at 9.00am.

YOGA AND MINDFULNESS CORNER

BPS NEWS: We are in the 4th week of the yoga program for year 2's in PE, and the students are B.R.A.V.I.N.G it and getting used to the physical, mental and emotional benefits and challenges! They are being brave trying new postures and activities. Challenges will come up every day, and it's our role as educators and the community to model and teach skills in 'wholeheartedness', confidence and humility. Uniquely expressing their true selves is equally important. There is a great human being named Brene Brown, PhD who has done significant research and coined the term 'wholeheartedness'. She researches many concepts and trust is one of them. She has come up with the B.R.A.V.I.N.G concept. She has interviewed 1000s of people that give credibility to her findings.

Boundaries
- Clear boundaries for self and clear boundaries of others
Reliability
- Do what you say and every time
Accountability
- If you make a mistake, own up to it, and make amends

Yoga
- You hold things in confidence and vice versa
Integrity
- Act from a place of integrity which means 1) use courage over comfort or 2) do what is right over what is fast, easy or fun
Non judgment
- Place value on needing help and don't lessen it
Generosity
- Assume generous intentions, words and behavior

Hi parents and children,

This week BPOS has seen the children partake in a master chef cook-off! We have been focusing on the cultural cuisines of our BPOS attendees, making ravioli, empanadas, and sweet pastries. We are looking forward to extending on these, with the attempts to cook our way around the world.

**After School Care Activities**

If your child participates in an extracurricular activity during after school care hours, please be advised that our policy has been revised in regard to how your child attends these activities. In the past we would escort your child to the activities, signing them out and back in on their return. It is now required that you to nominate either the person running the activity, or another parent, to take them to and from the activity, signing them out and back in again, as required. We will no longer be accompanying children due to it running the risk of providing inadequate supervision to the other children at the service. Please discuss your nominated escort with educators to ensure your child can attend these activities and be supervised at all times. Without nominating someone to collect and transport your child to and from extracurricular activities, we will not be able to release your child to the activity. Thank you for your cooperation.

**BOOKING INTO OSHC APPROVED PICK UP LIST**

Please ensure the people who are picking up your child from OSHC have been given consent to do so. Otherwise, we will be calling you and won’t release your child from OSHC until we have written consent from a guardian to do so. We have noticed that we have had a few children who are not booked into the service arriving each day. If you have any trouble with enrolling/booking your child just head to [www.campaustralia.com.au](http://www.campaustralia.com.au). You can permanently book your children into sessions as a permanent booking which is cheaper than a casual on the day booking. By booking your child into a session we can make sure we have enough staff to maintain ratios as well and also know exactly who is booked in to attend our service.

**MEDICAL DOCUMENTS:**

When you come to collect your child you need to bring your Medicare number and ambulance number if you have one, so please be prepared to sign your child’s enrolment form.

Have a great week, Kelly and the BPOS leaders.

Compass Quick Tips!

Excursions & In-School Activities Posted On Compass

- Consent Forms - all school excursions have a Compass Event Consent form which is posted to your Compass Newsfeed for you to action by giving parental consent for your child to attend.
  - An email will be sent via Compass prompting you to action this form.

- Consent Timeline - Parents must consent at least 2 days prior to the excursion so as not to miss the consent deadline which occurs at midnight 2 days prior to any event.
  - Please Note: Due to the high level of administration and organisation required for these events this deadline cannot be waived for any students.

- Payments –
  - Events included in the annual excursion levy – if the event is covered by the excursion levy (this will be specified on the consent form) then only families that have not paid the excursion levy are required to make the specified payment via QKR
  - Events NOT included in the excursion levy – e.g. Swimming, Life Saving, Summer & Winter Sport, Camps, Hoop Time. All events that are not included in the annual excursion levy will generally require payment on Compass (CompassPay on your bank statement) at the time of consenting to this event.

- In-School Activities – Consent forms are not required for in-school activities however parents will generally be notified via a Newsfeed from the class teacher if in-school activity is occurring for your child to participate in. It will also be scheduled on the Compass Calendar. No action is required by a parent in this circumstance.

YOUR MOMENT TO MAKE A DIFFERENCE

Local Census jobs available now

Make a difference in your community and join Australia’s largest logistical peacetime operation – the 2016 Census of Population and Housing.

Census night is August 9, and the Australian Bureau of Statistics is right now looking for dedicated, enthusiastic self-starters to fill up to 6,900 Field Officer positions across Victoria. If you’re community minded and comfortable using a mobile or tablet device, the ABS wants to hear from you.

Field Officers play a critical role by visiting households and ensuring everyone makes the Census count. They’ll also earn around $21 an hour and enjoy flexible, part-time work hours for up to 3 months. To do the job you’ll need to be a good communicator, reasonably fit, licensed to drive and able to travel and work independently.

BPS Dads’ Footy Match
Training starts now!

When: Sunday afternoons at 4pm
Where: Little Hurlingham Oval, Nepean Highway, Brighton
(subject to availability)

Now that the weather has changed, it’s time to pull on the footy boots and kick a few balls around the oval. Every year, BPS plays a game of footy against Brighton Beach in August and you are invited to come down for training. Whilst the game is a great fundraising event, it is also an opportunity for the dads of our school to spend time with the mates you’ve made and make a few new ones. No worries if you grew up with another code, all are welcome.

Registrations for the game will open shortly for 60 players. Based on feedback, there are many of you who are keen to come down for a kick on a Sunday but are not necessarily up for a game of competitive football, so this year we will also have a supporters option, giving you a way to contribute to the school. More details coming soon.

Any queries, contact Nick Paltoglou on 0411 423 946 or npaltoglou@ords.com.au
