Grade Three Camp

Our Grade Three students were on camp on Monday and Tuesday at the Phillip Island Resort. Thank you to Heather Jenkins and her team: Georgia Kirk, Andrew Lyon and Flora Fisher, with Krystle Horadam and Cassie Troja from the Hearing Unit. Thank you to the parents who generously gave of their time and attended the camp: Fiona Mensah, Athena Karamoshos, Nancy Labelle, Deb Roberts, Kevan Polkinghome, Karen Shahak and James Fyfe.

Here are some of our year three students’ thoughts about camp.

My highlights were the giant swing and the penguins. The giant swing gives you a shock when you drop but then it starts slowing down and it’s fun. The penguins were really cute and noisy. (Grace Edwards)

My highlight was going to see the penguins because you could see them close up and I also got to see a baby penguin. (Keri-Grace Giazi)

On camp I felt amazed by how high the giant swing could go. I loved canoeing because I loved the team work and how you were in a boat. It was very fun! (Elliott Burgess)
Parents are welcome to attend our Monday morning assemblies on the Junior Oval at 9.00am.

Time in the Library, reading with students of BPS.

Favourite book from Childhood? The Little Prince

Favourite pastime or hobby? Reading

Do you have any pets? 2 Dogs & a cat

What is the highlight of your school week? Visiting schools to read with Oona

3 words that best describe you? Friendly, Caring & Helpful

What is Oona’s favourite food? Homemade Turkey Loaf

What is the one of Oona’s quirky habits? Oona has a soft toy fetish. She has been known to collect up to 7 soft toys from around the house in under 1 hour.
Hi parents and children,

This week BPOS has seen the children partake in activities that celebrate the life of Indigenous Australians, in light of Sorry Day. We have created dot paintings, made rain sticks and cooked damper, all while discussing our understanding of why these activities were of importance. We hope to continue throughout the remainder of the week by creating a large mural with the help of all the children.

After School Care Activities

If your child participates in an extracurricular activity during after school care hours, please be advised that our policy has been revised in regard to how your child attends these activities. In the past we would escort your child to the activities, signing them out and back in on their return. It is now required that you to nominate either the person running the activity, or another parent, to take them to and from the activity, signing them out and back in again, as required.

We will no longer be accompanying children due to it running the risk of providing inadequate supervision to the other children at the service. Please discuss your nominated escort with educators to ensure your child can attend these activities and be supervised at all times. Without nominating someone to collect and transport your child to and from extracurricular activities, we will not be able to release your child to the activity. Thank you for your cooperation.

BOOKING INTO OSHC/ APPROVED PICK UP LIST

Please ensure the people who are picking up your child from OSHC have been given consent to do so. Otherwise we will be calling you and won't release your child from OSHC until we have written consent from a guardian to do so. We have noticed that we have had a few children who are not booked into the service arriving each day. If you have any trouble with enrolling/booking your child just head to www.campaaustralia.com.au. You can permanently book your children into sessions as a permanent booking which is cheaper than a casual on the day booking. By booking your child into a session we can make sure we have enough staff to maintain ratios as well and also know exactly who is booked in to attend our service.

MEDICAL DOCUMENTS:

When you come to collect your child you need to bring your Medicare number and ambulance number if you have one, so please be prepared to sign your child's enrolment form.

Have a great week, Kelly and the BPOS leaders.

**MESSAGE FROM THE HEALTH CENTRE**

Help your kids manage their asthma

<table>
<thead>
<tr>
<th>Question</th>
<th>Answer</th>
</tr>
</thead>
<tbody>
<tr>
<td>Does your child have an up to date Asthma Action Plan (Asthma Care Plan)?</td>
<td>The Asthma Care/Action Plan tells the school how to manage your child’s asthma and what to do if their asthma gets worse. This should be updated &amp; signed by the doctor on an annual basis.</td>
</tr>
<tr>
<td>Does your child carry their reliever puffer and spacer with them at all times? Or is it readily available to their Carers?</td>
<td>Medication needs to be available wherever your child may be (school, child care, sporting field, home)</td>
</tr>
<tr>
<td>Are you and your child aware of their asthma triggers?</td>
<td>Do you take steps to avoid these triggers? Are the Teachers aware of these triggers?</td>
</tr>
<tr>
<td>Do you listen to what your child says?</td>
<td>They will be aware of their asthma symptoms and should be able to tell you when they need their medication.</td>
</tr>
<tr>
<td>Does your child take their asthma medication correctly?</td>
<td>Good technique allows more medication to get into the lungs where it is needed. Talk to your doctor or pharmacist if you would like to check your device technique.</td>
</tr>
</tbody>
</table>

It is really important for the school to be notified of any medical conditions your child has, including asthma. This ensures we effectively look after your child should any symptoms develop. The school requires an Asthma Action Plan as shown above, along with your child’s Ventolin puffer and spacer. This should be clearly marked with your child’s name and be kept in your child’s classroom in case it is needed. If you have any concerns, please don’t hesitate to contact me at any time.

Thank you. Nurse Cecile

YOGA AND MINDFULNESS CORNER

KEEP CALM AND HAVE RESILIENCE

BPS NEWS: The year 2 students are finishing up their yoga program, having completed a 6 week program. BPS is collecting data to see if the students overall balance and wellbeing has improved over this period. The data is being collected over two time periods, before the 6 week program started and after the program ends. The PE and classroom teachers are involved in the data collection. A timed balance test as well as an international measurement tool, called the Strengths and Difficulties Questionnaire is being used. You are welcome to have a look at the international tool being used and read about its place in assessing wellbeing of children. http://www.sdninfo.com

Did you know that there was a national study conducted in Australia that attempted to get an age on information related to people actually practicing yoga in Australia. Over 2500 practitioners responded in the survey. Yoga practice was seen to assist in the management of specific health issues and medical conditions and assist in leading generally a healthy lifestyle. Yoga among children is also on the rise across the globe: a US study found the percentage of children ages 4 to 17 who do yoga increased from 2.3 percent in 2007 to 3.1 percent in 2012, which translates to about 400,000 more kids practicing yoga. Since that data was collected over 4 years ago, no doubt the stats would be much greater today! More studies are being conducted here and abroad with promising results. The benefits of yoga and mindfulness are also having an impact on academic performance and general behavior. Stay tuned!

Free Child Car Restraint Checking and Fitting Day

Saturday 28 May 2016

10am to 2pm

Southland Shopping Centre – Tennyson Street Carpark

Parents and carers can get their child car restraint checked free by a certified fitter on Saturday 28 May 2016 from 10am to 2pm.

Child car restraint products can sometimes be fitted incorrectly placing children and other passengers at risk of injury. Any necessary adjustments will be made on the day to ensure the restraint is fitted correctly with explanations provided about any changes that are made to ensure a better understanding of how to use a child restraint correctly.

For more information about this free child restraint check service please contact Bayside City Council on 9599 4444.

It’s story TiME @ your library

It’s great to see so many students taking up the Premiers Reading Challenge this year and being encouraged at home and school to read more.

To support the Challenge there will be a weekly Story-time in the Library on Wednesday at recess. Starting Wednesday May 18th

Targeted towards Foundation—Grade 2, books from the challenge list will be read and shared, so students can include them in their own challenge records.

BPS Dads’ Footy Match
Registrations now open!

Where: on QKR
When: now until 31 May

This year, the game against Brighton Beach Primary School will be played on Saturday, 13 August 2016 around 2pm.

Registrations are now open and we are looking for 60 keen players. Registration is $70 through QKR and this will give you not only the honour of playing on the day, but also an exclusive 2016 footy jumper. Be quick to register as last year there was a waiting list. Registrations close on 31 May.

Based on feedback, there are many of you who are keen to come down for a kick on a Sunday but are not necessarily up for a game of competitive football, so this year we will also have a supporters option, giving you a way to contribute to the school. To become a social member, you can make a tax-deductible contribution of $30 on QKR, which will be acknowledged in the Footy Record.

Any queries, contact Nick Paltoglou on 0411 423 946 or npaltoglou@ords.com.au
