Message from Nurse Cecile

R U OK? DAY SEPTEMBER 8

R U OK DAY encourages everyone to stop and take time for our family and friends and ask how they are going. The organisation was set up to inspire and empower everyone to meaningfully connect with the people around them and support anyone who is struggling with their life.

And it’s OK to say you’re not

The aim is to:

- Boost our confidence to meaningfully connect and ask about life’s ups and downs
- Nurture our sense of responsibility to regularly connect and support others
- Strengthen our sense of belonging because we know people are there for us
- Be strong and seek support yourself when you need to.

Sometimes it’s nice just knowing there is someone to listen when life is throwing you different challenges that may be confronting and difficult. It is so important to help and make sure everyone is supported and feels they belong. Making an effort to spend time together where you can chat and be together without distractions is part of being able to communicate and support in a meaningful way. Please make sure you come and see me or your classroom teacher if your child is struggling and may need extra support at school.

Make every day an R U OK day!

Sports Team!

District Athletics

On Tuesday the 6th of September, grade 6 and grade 5 will be competing at Duncan McKinnon for District Athletics. We have many athletes ready for the day. There will be 9 different activities. If any of the kids get past districts they will move on to division.

Hoop Time

On Tuesday the 13th of September, Grade 6 and Grade 5 will be competing at MSAC for Hoop Time. Students will participate in a variety of All Star and Future Star teams. Most will complete 4 or 5 games on the day.

Bike Ed

On Monday the 29th of August, grade 6 started Bike Ed. We rode on the road and the junior oval. We learnt how to ride safely and what to do when we come face to face with a roundabout. The procedure to get on the road is power position, scan, signal then maneuver. We’d like to thank Ms Pain, Ms Travis, the teachers and the parent helpers for helping and taking care of us.

Have a great week, Kelly and the BPOSH leaders.
GYMNASTICS

21 grade 5 and 6 students attended the Interschool Gymnastics Competition at BTYC Gymnastics Club this morning.

The girls performed both Acrobatic and Rhythmic routines as well as Floor, Beam, Vault and Bars.

The girls worked extremely hard for this competition in a short period of time and performed exceptionally well to walk away with a First and 2 Second placings.

An outstanding result as this was the first time that BPS had entered this competition.

A huge thank you to our parents for their dedication in getting the girls to our practices at Edge Gymnastics and to Melissa Dale, Emily Higgins, Suzanne Dow, Monica Connors and Trish Scandizzo for transporting the girls to Donvale.
