Whole school transition

Bright Kids
Brighton Primary

At Brighton Primary School we are proud of our whole school Transition Program. Last Wednesday, we began our three week program, where all students across the school, including our new 2017 Prep students, have an opportunity to experience some of the exciting activities they might expect next year.

While the Prep students participated in classroom activities, their parents attended a comprehensive orientation presentation focusing on a range of topics ranging from healthy lunch boxes, school uniform, community activities as well as school banking, to mention but a few.

Transition forms part of the student wellbeing program at Brighton Primary as it creates clarity and prepares students for the following year.

Transition reflections:

On Wednesday the 9th and 16th of November the whole school went up a level to experience their grade for 2017. Over the two transitions the teachers told us all about different event that we will experience/ do in grade 5. I am really excited about the BYOD (bring your own device) and Camp Coonawarra. On Camp we will go horse riding and do archery. By Zara Gr 5

Transition to year five was really fun. I am excited to go to camp. It sounds really fun because so far every year five has come back smiling. I am also really, really happy to Bring your own Tablet and inter-school sport! By Eva 4A

Message from Nurse Cecile

St John Ambulance have been teaching our students first aid through the First Aid Schools Program. This week all grade 5 and 6 students were taught about DRSABCD and how to manage an emergency.

Here are some of the reflections the children wrote:

Ellie: "I think our first aid session was good because I learnt how to save someone's life."

Liam: "I learned how to do DRSABCD which stands for Danger, Response, Send for help, Airway, Breathing, CPR and Defib. I think I know how to keep someone alive."

Lily: "I really enjoyed this session. I learnt many things such as how to give CPR, how to put someone in the recovery position and the order of the first aid : DRSABCD. I will take many things away from this session, this session was very useful."

Holly: "I learnt how to do CPR , the steps of an emergency, and the recovery position."

Well done to all the students for your participation and enthusiasm.

You were fantastic and have learnt skills to help save someone's life. Great effort!

REMINDER TO PARENTS

School hats must be worn during Term 4.

If your child does not bring their hat, they will be moved to a shaded area during recess and lunch.

The uniform shop has supplies if you need. Thank you.

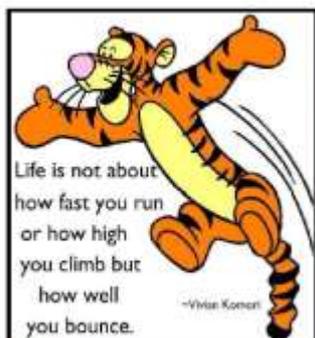

PARENTS

Log on to Compass every week to ensure you are up to date with excursion notices!!

The cut-off for consent for an event is 2 days prior to the event or your child WILL miss out !!!

YOGA AND MINDFULNESS CORNER

"Do not judge me by my successes, judge me by how many times I fell down and got back up again."
- Nelson Mandela

BPS news:

In 2017, the year 2, 5 and 6 students will continue to have yoga and mindfulness programs that assist in their development and engagement in learning. The BPS teachers will also have professional development sessions to further their own skills in delivering age appropriate yoga and mindfulness practices, to maximize student learning.

Home practice: Setting up a mindfulness space at home does not have to be too onerous. Don't get caught up in the 'have to's' as it's your own experience, not a written rule book. The challenge is having the self-compassion and discipline. Few helpful hints:

- Try to practice roughly at the same time each day
- Set up a place for your practice, preferably with little noise
- Set your time, either 5, 10, 15 or 20 minutes
- Focus on your chosen guided meditation or own initiation (place gentle awareness on your breath - see if you can inhale/exhale through the nose)
- Let go into the focus • Gently open your eyes ready

Tim Wilson MP visits Monday Morning Assembly

As a result of student action by Grade 6 student Zaid, Tim Wilson MP attended Monday morning assembly.

In Term 3, Zaid inquired into the global issue of refugees in detention centres as part of his presentation for Grade 6 Exhibition. During his inquiry Zaid wrote a 'choose your own adventure' story based on the information he had gathered during his inquiry into refugees.

Zaid then wrote a letter appealing to Tim Wilson, asking him to consider the wellbeing of all asylum seekers while being processed in detention centres.

Tim took note of Zaid's letter and made time to visit Grade 6 personally and was also interviewed by Zaid at our Whole School Assembly.
