The 2016 Brighton Primary School Year Book

This year our media leadership team is working with Monica Connors, one of our parents, to publish a commercially produced Year Book.

Bright Kids
Brighton Primary

Monica and the students researched publishers and the costs involved and we decided to work with MSP, the firm that does our class and school photos.

MSP provide a program that Monica and the students are using to build our 2016 Year Book. It allows the team to choose from more than 3000 background designs, textures, frames, cover and page options.

Having decided on the format and publisher, our team ran a competition for the front cover design. The Year Book is stacked full of memories for everyone who was at Brighton Primary School in 2016. There are class photos, staff photos and collages of significant events including:

- The Extravaganza
- The day it snowed
- The Leadership badge presentation
- Italia day
- The first 100 days of Foundation
- Sports days
- Hairspray Jnr
- Grade six Exhibition
- Camps
- Excursions.

The 2016 Year Book is ready to go to the printer and we will receive the proofs for final editing over the next two weeks. The 2016 Year Book will cost \$20.00 and will be available on Qkr. Please watch the newsfeed on Compass for the date it goes on sale. It will be a wonderful memento for students and families of all friends and events at Brighton in 2016.

Have you seen our New Flags?

Thank you Bill Kolivas for visiting our local member, Tim Wilson, and getting new flags.

Dear Mum and Dad,

I would like to invite you to our Working Bee organised for **Saturday 5th November**, for all parents of **Year 3 and Year 4** students.

The Working Bee starts at 9.00am and ends at 12:00 with a **sausage sizzle** for parents and students. **Drinks** such as cordial, wine and beer will be available.

If we have an **hour or two** to spare can we **go**? We are only asked to attend one working bee for the year. We can complete a few jobs and chat and socialise with the other children and their parents.

Weather permitting, some of the jobs we can do are **sweeping leaves**, **clearing shallow drains of leaves**, **weeding**, **pruning shrubs**, **raking sandpits**, **turning over and spreading soft fill** under play equipment.

Basically, it's a general clean and freshening of my lovely school yard.

Mr Kolivas has some equipment available but asks us to please **bring any of the following** that you think may be useful for you and me to use on the day: **broom, rake, spade, fork, blower vac, secateurs, lopper, wheelbarrow** or other tools.

Please complete the slip below by **Wednesday 2nd November** and I'll return it so that Mr Kolivas will know how many sausages and drinks to order.

I hope we can **attend**, even for a **short time**,

Love,

.....

MESSAGE FROM THE HEALTH CENTRE

[Help your kids manage their asthma at school](#)

Asthma
Foundation
Victoria

	<p>Does your child have an up to date Asthma School Action Plan?</p> <p>The Asthma School Action Plan tells the school how to manage your child's asthma and what to do if their asthma gets worse. This should be updated & signed by the doctor on an annual basis.</p>
	<p>Does your child carry their reliever puffer and spacer with them at all times? Or is it readily available to their Carers?</p> <p>Medication needs to be available for your child at school. Please supply their reliever medication and spacer to the school and ensure they are clearly labelled with your child's name. Always make sure you check the expiry date of medication supplied.</p>
	<p>Are you and your child aware of their asthma triggers?</p> <p>Do you take steps to avoid these triggers? Are the Teachers aware of these triggers?</p>
	<p>Do you listen to what your child says?</p> <p>They will be aware of their asthma symptoms and should be able to tell you when they need their medication.</p>
	<p>Does your child take their asthma medication correctly?</p> <p>Good technique allows more medication to get into the lungs where it is needed. Talk to your doctor or pharmacist if you would like to check your device technique.</p>

It is really important for the school to be notified of any medical conditions your child has, including asthma. This ensures we effectively look after your child should any symptoms develop.

The school requires an Asthma Action Plan as shown above, along with your child's Ventolin puffer and spacer. This should be clearly marked with your child's name and be kept in your child's classroom in case it is needed. If you have any concerns, please don't hesitate to contact me at any time.

Thank you. Nurse Cecile

Brighton OSHC (BPOSH) 3rd of November 2016

Hi parents and children,

This week at BPOSH we have been celebrating the Melbourne Cup! As we had only a few children attend on Monday they decided they wanted to make amazing fascinators! Girls and boys all got involved and we saw some amazing floral creations and some interesting top hats produced. We are also creating presents for children in Bangladesh! The children have been busy making bags and bookmarks to send children living in extreme poverty.

Foundation Parents

To get your child ready for next year we are going to start the process of letting the foundation students come to after school care alone. Of course if they don't make it to the service we will go and grab them but we do need to start making them more independent as we do not collect grade one children from their classrooms. Please ensure you write in your child's diary when they are going to BPOSH so they are aware of when to come, if you have any concerns please talk to the staff and we can explain the process.

HOLIDAY CLUB 2016/2017

We have already started to think about holiday club for December 2016 to January 2017 and the bookings are already open! It's crazy to start thinking about the holidays so we therefore encourage you to have a look at the planned activities and talk to your children if there are any days they want to come!

BOOKING INTO OSHC

We have noticed that we have had a few children who are not booked into the service arriving each day. If you have any trouble with enrolling/booking your child just head to www.campastralia.com.au. You can permanently book your children into sessions as a permanent booking which is cheaper than a casual on the day booking. By booking your child into a session we can make sure we have enough staff to maintain ratios as well and also know exactly who is booked in to attend our service.

SUNSMART

For terms 4 and 1 we have a no hat no play policy, if your child doesn't bring a hat to BPOSH they unfortunately will not be allowed to play outside. Please ensure you pack them a hat that is labelled with their name.

Have a great week, Kelly and the BPOSH leaders.
