

Parent Complaints Policy Brighton Primary School 1542

Brighton Primary School's values

Brighton PS's approach to handling concerns and complaints is based on our values of:

- providing a safe and supportive learning environment
- building relationships between students, parents and staff
- providing a safe working environment for staff.

Concerns and Complaints Covered by the Procedures

These procedures cover concerns and complaints about:

- general issues of student behaviour that are contrary to the school's Student Engagement and Wellbeing Policy
- incidents of bullying or harassment in the classroom or the school yard
- learning programs, assessment and reporting of student learning
- communication with parents
- parent contributions and payments
- general administrative issues
- any other school-related matters except as detailed below.

These procedures do not cover matters for which there are existing rights of review or appeal, as detailed in the *Victorian Government Schools Reference Guide*.

Those matters include:

- student discipline matters involving expulsions
- complaints about employee conduct or performance and complaints that should be dealt with by performance management, grievance resolution or disciplinary action
- complaints by the Department's employees related to their employment
- student critical incident matters
- other criminal matters.

The Principal will use local complaints resolution procedures, where appropriate, for resolving complaints in relation to issues that fall within the school's area of responsibility. All cases of serious misconduct – sexual offences, criminal charges, or other serious incidents – must instead be referred to DET Complaints and Investigations Unit.

Expectations

Brighton Primary School expects a person raising a concern or complaint to:

- do so promptly, after the issue occurs
- provide complete and factual information about the concern or complaint
- maintain and respect the privacy and confidentiality of all parties
- acknowledge that a common goal is to achieve an outcome acceptable to all parties
- act in good faith, and in a calm and courteous manner
- show respect and understanding of each other's point of view and value difference, rather than judge and blame
- recognise that all parties have rights and responsibilities which must be balanced.

Brighton Primary School will address any concerns and complaints received from parents:

- courteously
- efficiently
- fairly

- promptly, or within the timeline agreed with the person with the concern or complaint
- in accordance with due process, principles of natural justice and the Department's
- regulatory framework.

Raising Concerns or Complaints

In the first instance, a complaint should be made to the school in person, by telephone, or in writing to:

- the student's class teacher or specialist teacher about learning issues and incidents that happened in their class or group
- the assistant principal about issues relating to staff members or complex student issues
- the principal about issues relating to school policy, school management, staff members or very complex student issues.

For contact details for any staff member, call the office on 9592 0177.

Help with Raising Concerns or Complaints

- Complainants can seek the services of an advocate when they feel they are unable to express their concern clearly. An advocate can be a friend or someone who is available through an appropriate support organisation who does not receive a fee for service.
- All parties involved in addressing a complaint may seek the services of a mediator when there is difficulty coming to an agreement.
- Brighton Primary School will ensure that the complainant is aware of these supports.
- A complainant who wishes to use these support services should ensure the person addressing the concern or complaint is aware of their intention and is in agreement.

Managing Parent Concerns and Complaints Information

Brighton Primary School will consider recording the following details of all complaints received, even if the complaint appears to be minor in the Student Wellbeing Journals.

- name and contact details (with permission) of the person with a concern or complaint
- the date the concern was expressed or complaint made
- the form in which the concern or complaint was received (such as face-to-face, by telephone, in writing, by email)
- a brief description of the concern or complaint
- details of the school officer responding to the concern or complaint
- action taken on the concern or complaint
- the outcome of action taken on the concern or complaint
- any recommendations for future improvement in the school's policy or procedures.

However, in the first instance, when the complaint is easily resolved in a telephone call, a brief note in the school's/principal's/student planner and Student Wellbeing Journal recording the issue and the resolution may be all that is required.

- Brighton Primary School will make every effort to resolve concerns and complaints before involving other levels of the Department.
- Brighton Primary School will give a complainant a copy of its complaints procedures.
- Brighton Primary School will determine whether a concern or complaint should be managed through the school's concerns and complaints process or through other complaints processes of the Department.

- All complaints will be noted and acted on promptly by the staff member who receives the complaint.
- The school (Principal) will acknowledge all complaints made in writing. It will provide the complainant with a timeline for investigating the complaint.

Concerns and complaints about general school matters (such as the timing of events, school policies and facilities) will be addressed by the principal or a relevant staff member.

Brighton Primary School will make every attempt to resolve a concern or complaint as quickly as possible. If your complaint involves many students and a range of issues, the school will need more time to investigate and resolve it.

Should the complaint involve complex issues, the school might need to take advice from the Department's regional office which may take more time. The school will tell the complainant the new timeline for addressing the complaint and the reasons for any delays. In all cases, the school will try to resolve a concern or complaint within 20 school days.

Remedies

If a concern or complaint is substantiated in whole or part, the school will offer an appropriate remedy. For example, at its discretion and depending on the circumstances, Brighton Primary School might offer:

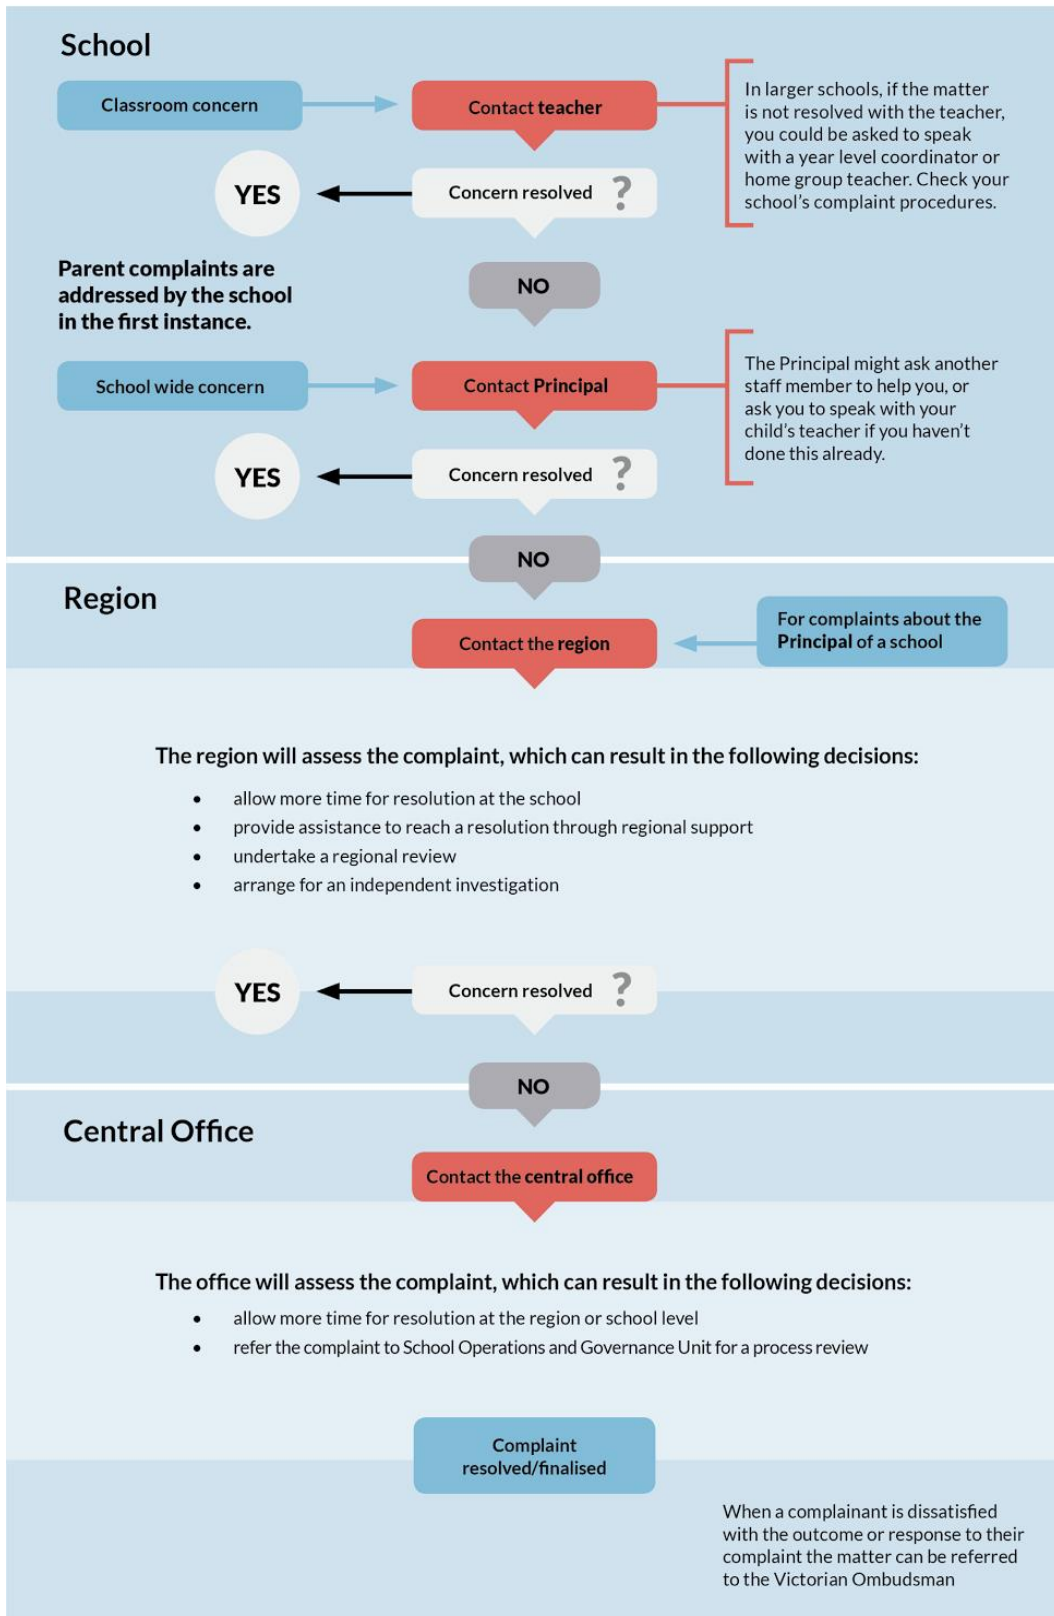

- an explanation or further information about the issue
- mediation, counselling or other support
- an apology, expression of regret or admission of fault
- to change its decision
- to change its policies, procedures or practices
- to cancel a debt (such as for school payments)
- a fee refund.

The school will implement the remedy as soon as practicable.

Referral of Concerns or Complaints

- If a person with a concern or complaint is not satisfied with the outcome determined by Brighton Primary School, they should contact the central office of the Regional Services Group.
- The officer from the region will ask the complainant for a complete and factual account in writing of the concern or complaint and the complainant's opinion about why the school did not resolve it to their satisfaction.
- If the complaint cannot be resolved by the complainant, school and regional office working together, the regional office may refer it to the Central Complaints Team for a process review.
- The Central Complaints Team will ask the complainant for a complete and factual account in writing of the concern or complaint and the complainant's opinion about why the school and regional office did not resolve it to their satisfaction and will ask the complainant to outline their view on the course of action required to resolve the complaint. Where the complainant is unable to provide a written account the officer from Group Coordination Division should act on the information provided.
- If further referral or advice is required from an external agency the parent may contact the Victorian Ombudsman.

The information will include:

- how a person can make a complaint
