

SCHOOL PAYMENTS ARE MADE BY QKR

Brighton Primary School use the MasterCard App to make school payments quick and easy.

Qkr is used at Brighton Primary School to:

- place and pay for **school uniform**
- pay for some **school fundraising** and **parent** run social events.

To get started, simply download Qkr from the App Store/Google Play, and search for *BRIGHTONPS*, add your child's name, year level (*Prep*) and Grade e.g. *0A-10* (*Prep class name and room number*).

Add your MasterCard or Visa credit or debit card details and you are ready to place orders and make payments.

Please Note: If you are a new family and your child has not yet been placed in a grade use year level (*Prep 2021*) and grade (*Prep 2021*) for now. Once your child's class is known you will need to update QKR with the correct class information.

Due to the current COVID restrictions, uniform items will be delivered to your child's classroom.

If you have any queries please call the School Office - 9592 0177.
